EXPORT-IMPORT BANK OF THE UNITED STATES

Environmental Review Procedures

AGENCY: Export-Import Bank of the United States.

ACTION: Notice.

SUMMARY: The Export-Import Bank ("Ex-Im Bank") is extending the effective date of its Environmental Procedures and Guidelines (initially issued in February, 1995) and has adopted certain changes to improve the specificity,

clarity and use of the Guidelines. The revised Environmental Procedures and Guidelines will remain in effect until April 1, 1998, at which time they will again be subject to review by the Bank.

FOR FURTHER INFORMATION CONTACT:

Popi Artavanis, Export-Import Bank of the United States, Engineering and Environment Division, 811 Vermont Ave., N.W., Washington, DC 20571, tel: (202) 565-3570.

SUPPLEMENTARY INFORMATION: Section 106 of the Export Enhancement Act (12 U.S.C. 635i-5) ("Section 106") provides that Ex-Im Bank shall establish environmental review procedures consistent with the Bank's overall mandate to maintain U.S. export competitiveness. Pursuant to this section, the Ex-Im Bank Board of Directors approved a set of Environmental Procedures and Guidelines on February 1, 1995. The new procedures and guidelines were made effective on a one-year trial basis until February 1, 1996. Earlier this year, the Bank extended the effective date of these procedures and guidelines to April 1, 1996.

Prior to April 1, 1996, the Bank's staff solicited comments on the procedures and guidelines from exporters and exporter trade organizations, and conducted an internal review of the application of the procedures and guidelines to particular transactions over the course of the year. The staff concluded that the guidelines and procedures have generally accomplished their goal of providing an environmental benchmark for determining the acceptability of a project for financing. At the same time, the guidelines and procedures have minimized the impact on the exporting community, and allowed for efficient, practical implementation by staff. The Bank's staff introduced certain changes to improve the specificity, clarity and use of the guidelines and recommended the procedures and guidelines (with the proposed changes) be extended for an additional two years. On April 2, 1996, the Ex-Im Bank Board of Directors voted to extend the Environmental Procedures and Guidelines (with the staff's recommended changes) until April 1, 1998.

These procedures and guidelines are not subject to notice and comment requirements or to publication in the Federal Register pursuant to 5 U.S.C. 553(a)(2), 553(b)(A), and 553(d)(2).

Copies may be obtained by written request from Ex-Im Bank's Engineering and Environment Division, 811 Vermont Avenue, N.W., Washington, DC 20571.

Accordingly, under the authority of Section 106 of the Export Enhancement Act (12 U.S.C. 635i-5), the Environmental Procedures and Guidelines will remain in effect until April 1, 1998.

Dated: April 12, 1996.

Kenneth W. Hansen,

General Counsel, Export-Import Bank of the United States.
